EXPLORING MISINFORMATION

Seminar
october 25
9h-18h

PROGRAMME

9:00-9:30 - Breakfast + Introductory remarks by Kevin Arceneaux and Jean-Philippe Cointet (5 min)

9:30-11:00 - Panel 1: The social context of misinformation

- Lene Aaroe, Aarhus University: “Do The Facts Matter? The Impact of Statistical Evidence and Single Exemplars on Policy Opinions Among Citizens and Politicians in Digital Democracies”
- Patrick Kraft, University Carlos III of Madrid: “Give and Take: Can Dialogue Change Climate Attitudes?”
- Brendan Nyhan, Dartmouth College: “Untrustworthy sources on Facebook and Instagram: Concentrated exposure but no attitudinal effects”
- Ethan Porter, George Washington University: “The Reputational Penalty: How Fact-Checking Can Penalize Those Who Spread Misinformation”

Moderated by Kevin Arceneaux

11:00-11:30 - Coffee break

11:30-13:00 - Panel 2: Understanding misinformation in a global perspective

- Natalia Bueno, Emory University: “(De)Mobilizing Effects of Misinformation: Evidence from Brazil”
- Simon Chauchard, University Carlos III of Madrid: “Countering Misinformation Early: A Media & Information Literacy Intervention for School Children in India”
- D.J. Flynn, IE University: “Populism and belief in fake news: Experimental evidence from four countries”

Moderated by Yamil Velez

13:00-14:30 - Lunch

14:30-16:00 - Panel 3: Methodological approaches to misinformation

- Adam Berinsky, MIT: “A conceptual framework for designing and evaluating misinformation interventions”
- Mohsen Mosleh, Oxford Internet Institute: “Measuring exposure to misinformation from political elites on Twitter”
- Yamil Velez, Columbia University: Crowdsourced Adaptive Surveys

Moderated by Jean-Philippe Cointet

16:00-16:30 - Coffee break
