

# Health Insurance Information

Foreign nationals staying less than three months in France are not eligible for French health insurance.

To be able to participate in our Pre-College Programme, participants must subscribe to a comprehensive health insurance policy for the duration of their stay, covering any expenses that might arise in connection with:

- Medical care
- Repatriation to home country for medical reasons
- Emergency hospital treatment

Most travel insurance plans provide this kind of comprehensive coverage. For participants residing in France, a certificate of affiliation to the French social security system is sufficient.

You must provide a letter or a certificate stating your coverage in France.

## NOTE FOR AMERICAN APPLICANTS

Uploading your insurance card is not sufficient, unless you have EU citizenship and an EU insurance plan/coverage.

## Commonly Asked Questions

How do I know if my current insurance is sufficient?

*We invite you to check with your insurance provider to ensure that overseas health insurance is covered. A simple photo of your current insurance card is not accepted.*

My family has overseas coverage, but my child's name is not explicitly stated on the contract. Can it still be accepted?

*No, your child's first and last legal names must be explicitly stated on your uploaded document. We invite you to contact your insurance company to provide correct documentation.*

What if my current insurance doesn't cover overseas travel?

*If your current insurance does not cover overseas travel, we will require you to find a separate travel insurance for the dates of the programme. Students must be covered for the three specific situations mentioned at the top of the page.*

Do you have partnerships with particular insurance companies?

*Sciences Po does not have a partner at this time, but we have seen participants use AXA, Horizon Blue Cross/Blue Shield, Huatai Insurance Group, Coris Brazil Travel Insurance, etc...*
